2018/0902/P	Mark Liebenrood	20 Ospringe Road	07/03/2018 17:48:55	COMMNT	<p>There is already a new kiosk with illuminated digital advertising, providing very similar facilities to the one proposed here, outside 251 Kentish Town Road. Two similar facilities close to one another in the same stretch of road seems unnecessary, especially since no-one seems to use the kiosk.</p> <p>It would be better just to remove the old phone box, which is in quite a dilapidated condition.</p>
