Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Full Planning Permission Granted

Address:

NW3 2LR

Proposal:
Proposed erection of a single storey rear infill extension; Replacement of the existing French door in the bedroom with a new larger glazed sliding door to the garden and new cladding of the rear wall; New landscaping to rear garden.

Drawing Nos: 141CR PA Ip, 141CR PA 1, 141CR PA 2, 141CR PA 3, 141CR PA 4, 141CR PA 5, 141CR PA 6, 141CR PA 7, 141CR PA 8, 141CR PA 9, 141CR PA 10, 141CR PA 11.

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy D1 and D2 of the London Borough of Camden Local Plan 2017.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans:

141CR PA 1p, 141CR PA 1, 141CR PA 2, 141CR PA 3, 141CR PA 4, 141CR PA 5, 141CR PA 6, 141CR PA 7, 141CR PA 8, 141CR PA 9, 141CR PA 10, 141CR PA 11.

Reason:

For the avoidance of doubt and in the interest of proper planning.

Informative(s):

- 1 Reasons for granting permission.

The size, scale, bulk and design of the proposed single storey side/rear infill extension is considered to form a proportionate addition that respects the character and setting of the host and neighbouring properties. Furthermore, the proposed development would be located to the rear of the site and its contextual design and limited visibility from the public realm would ensure no significant impact to the appearance of the surrounding conservation area would occur as a result of the development, particularly given the prevalence of similar sized extensions along this side of Constantine Road.

The side infill flat roof height (2.6m) and rearward projection (8.5m) of the proposed side and rear extension would not significantly harm the amenity of any adjoining residential occupiers in terms of loss of light, outlook or privacy.

No objections were received following statutory consultation. The sites planning history and relevant appeal decisions were taken into account when coming to this decision.

Special regard has been attached to the desirability of preserving or enhancing the conservation area, under s.72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act 2013.

As such, the proposal is in general accordance with Policies D1, D2 and A1 of the Camden Local Plan 2017. The proposed development also accords with the policies of the London Plan 2016 and National Planning Policy Framework.
