Dear Sir/Madam

DECISION

Planning (Listed Building and Conservation Areas) Act 1990

Listed Building Consent Granted

Address:
4 Ampton Place
London
WC1X 0LZ

Proposal:
Replacement of defective brick garden walls with stained timber close boarded fences.
Drawing Nos: 6214-AP4-P01D rev D (propo plan), block plan, site location plan, existing basement plan

The Council has considered your application and decided to grant Listed Building Consent subject to the following condition(s):

Conditions And Reasons:

- 1 The works hereby permitted shall be begun not later than the end of three years from the date of this consent.

Reason: In order to comply with the provisions of Section 18 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans: 6214-AP4-P01D rev D (proposed plan), block plan, site

location plan, existing basement plan

Reason: In order to safeguard the special architectural and historic interest of the building in accordance with the requirements of policy D2 of the Camden Local Plan 2017.

- 3 All new work and work of making good shall be carried out to match the existing adjacent work as closely as possible in materials and detailed execution.

Reason: In order to safeguard the special architectural and historic interest of the building in accordance with the requirements of policy D2 of the Camden Local Plan 2017.

Informative(s):

- 1 Reason for granting listed building consent:

The site is the back garden of a 19th-century terraced house by Cubitt, listed grade II and situated in the Bloomsbury Conservation Area.

A large tree has grown to push two sections of the garden wall surrounding it out of plumb. The section parallel to the rear of the house appears to be modern work, while that parallel to the side of the house is original. Following negotiation, 2.6 metre section of the original side wall will be retained, while the rest will be replaced with a fence.

The proposed works will not harm the special interest of the grade-II-listed building.

The application has been advertised in the press and by means of a site notice, whereby there were no consultation responses. The site's planning history has been taken into account in making this decision.

Special attention has been paid to the desirability of preserving the special interest of the listed building, under s.16 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013

As such, the proposal is in general accordance with policy D2 of the Camden Local Plan 2017. The proposed development also accords with the London Plan 2016 and the NPPF.
