**Subject:** Re: Applications for telephone kiosks by Maximus Networks (eg 2018/0318/P, 2018/0330/P)

Dear Tony

Yes, this was an oversight. Please include 2018/0333/P ([90 Tottenham Court Road](#)) amongst our objections.

I believe I responded on behalf of BRAG to all these applications. I am also a member of **Bloomsbury Conservation Area Advisory Committee** - so please include a reference in your report to objections from BCAAC to the overwhelming number of applications for telephone kiosks within the neighbourhood, that add clutter to the footways, impact on the setting of listed buildings and buildings of positive contribution and are utterly unnecessary in these days of mobile phone communications. All they seem to provide are alternative methods of advertising.

Thanks for your support.

Kind regard

Debbie Radcliffe
