Contractors Statement

I/We certify that the above products have been applied in accordance with Envirograf® application instructions, which is in accordance with the above test.

Signed: 
On behalf of: A C WAHTS

Date: 27 September 2011

Please note: This certificate only relates to the Envirograf® products used to upgrade the panels and beads (and rails and stiles where necessary). It takes no account of door furniture, including number and type of hinges, fire & smoke seals or door stops. Where obvious concerns are apparent regarding the condition of the door, these have been noted to the main contractor.
