Beware! Taking a black cab **from airport** will be very expensive. There are some private taxi companies that work very well and they are often cheaper and more convenient than the train express services if you are more than one person.

Getting Around London

We would recommend purchasing an **Oyster Card** when you arrive- they are valid for all forms of public transportation and are cheaper than buying tickets for individual journeys.

If you already have a **contactless credit card** you can use it instead of an Oyster Card to 'tap' in and out on busses and the tube.

The Neighbourhood

Fitzrovia hailed as "**The best place to live in London**" by The Sunday Times, April 2016.

Known for its vast array of **pubs, restaurants, galleries, and shops**, it's easy to mix business with pleasure in Fitzrovia. The neighbourhood is conveniently located in the West End, but it doesn't share the West End's same fast-paced atmosphere.

The neighbourhood hosts Fitzrovia Lates on the last Thursday of every month. Galleries remain open until 9 pm and artists, performers, and curators lead discussions, rivet audiences, and illuminate inspirations behind the work.

The accommodation is located in the **London's most cosmopolitan area**, a few minutes' walk from University College London (UCL), University College Hospital (UCH), Oxford Street, Piccadilly, Regent Street and Trafalgar Square. The convenient location means easy access to all West End theatres, the bars of Soho and restaurants of Chinatown.
