2018/0346-P	Kieran Williams	37 Burrard Rd	04/02/2018 10:57:31	COMMENT	There is no requirement for a telephone and the kiosk will only be a vehicle for advertising. It is much better for older and disabled residents (and parents with small children) if the pavements are kept clear. Please do not allow these kiosks to spring up in our community.
