Dear Mr Baxter

**Arrangements for Handling Heritage Applications Direction 2015 &  
T&CP (Development Management Procedure) (England) Order 2015  
99 GREAT RUSSELL STREET LONDON WC1B 3LH  
Application No 2017/6105/L**

Thank you for your email of 20 March 2018 notifying us of the revised or amended information in respect of the application for listed building consent relating to the above site.

We previously noted that the degree of and criteria for brick replacement had not been clearly stated. The additional information clarifies that a limited number of deteriorated bricks are to be replaced. Subject to a condition regarding provision of sample panels for repair work, we are now content that the scheme will not cause harm to the listed building.

We enclose the draft letter authorising the granting of consent (draft attached) and have referred the case to National Planning Casework Unit. Subject to the Secretary of State not directing reference of the application to him, they will return the letter to you.

If your authority is minded to grant listed building consent, you will then be able to issue a formal decision. Please send us a copy of your Council's decision notice in due course. This response relates to listed building matters only. If there are any archaeological implications to the proposals please contact the Greater London Archaeological Advisory Service for further advice (Tel: 020 7973 3712).
