Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Variation or Removal of Condition(s) Granted Subject to a Section 106 Legal Agreement

Address:
2 Loveridge Mews
London
NW6 2DP

Proposal:
Variation of condition 3 (approved plans) of planning permission 2017/0838/P dated 19/06/2017 (erection of roof level extension to provide 1 x one bedroom flat including relocation of front door and minor internal alterations to communal circulation area) namely alterations to the rear fenestration at all levels and installation of additional rear dormer window.

Drawing Nos: 051, 052, 053, 054, 055, 151, 152 Revision B, 250, 350 Revision B.

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of the original planning permission ref 2017/0838/P dated 19/06/2017.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy D1 of the London Borough of Camden Local Plan 2017.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans: 051, 052, 053, 054, 055, 151,152 Revision B, 250, 350 Revision B.

Reason: For the avoidance of doubt and in the interest of proper planning.

Informative(s):

- 1 Reasons for granting permission:

The revised front fenestration details at ground floor level are considered to represent minor alterations that would remain sympathetic to the original character of the host and neighbouring buildings, and surrounding area. Similarly, the proposed alterations to the approved rear fenestration would not have a significant impact on the appearance of the host building and surrounding area, particularly given the limited visibility of the rear elevation from the public realm.

The proposed alterations would not harm neighbouring amenity in terms of loss of light, outlook or privacy.

No objections were received following statutory consultation. The sites planning history and relevant appeal decisions were taken into account when coming to this decision.

As such, the proposed development is in general accordance with policies A1 and D1 of the Camden Local Plan 2017. The proposed development also accords with the London Plan and the National Planning Policy Framework.

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 6941).
- 3 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Compliance and Enforcement team [Regulatory Services], Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 4444 or on the website <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-environmental-health-team.en> or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out

construction other than within the hours stated above.

- 4 The Mayor of London introduced a Community Infrastructure Levy (CIL) to help pay for Crossrail on 1st April 2012. Any permission granted after this time which adds more than 100sqm of new floorspace or a new dwelling will need to pay this CIL. It will be collected by Camden on behalf of the Mayor of London. Camden will be sending out liability notices setting out how much CIL will need to be paid if an affected planning application is implemented and who will be liable.

The proposed charge in Camden will be £50 per sqm on all uses except affordable housing, education, healthcare, and development by charities for their charitable purposes. You will be expected to advise us when planning permissions are implemented. Please use the forms at the link below to advise who will be paying the CIL and when the development is to commence. You can also access forms to allow you to provide us with more information which can be taken into account in your CIL calculation and to apply for relief from CIL.

<http://www.planningportal.gov.uk/planning/applications/howtoapply/whattosubmit/cil>

We will then issue a CIL demand notice setting out what monies needs to paid when and how to pay. Failure to notify Camden of the commencement of development will result in a surcharge of £2500 or 20% being added to the CIL payment. Other surcharges may also apply for failure to assume liability and late payment. Payments will also be subject to indexation in line with the construction costs index.

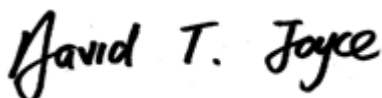

Please send CIL related documents or correspondence to CIL@Camden.gov.uk

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
