2018/0427/P	Adam Hewitt	Flat 3 97 Torriano Avenue London NW5 2RX	09/04/2018 21:28:47	OBJEMAI L	I am the owner of Flat 3 97 Torrianno Avenue and am writing to object to the planning application for the rear extension at 95 Torrianno Avenue. My reasons are: Overdevelopment of site and loss of garden/open space. The potential for the roof of the extension to be used as a terrace and therefore a source of noise and light pollution as well as loss of privacy. Erosion of character of houses on Torriano Avenue. Possible impact on 97 Torriano Avenue in terms of foundations/ ground movement/ subsidence. There are errors on the drawing Existing section C-C relating to the junction between the existing extension and the rear extension to number 97.
