2018/0656/P	Sanya Polescuk on behalf of Belsize Residents Association	8a Belsize Park Garages	25/03/2018 19:00:29	OBJ	Before approving teh change of use from B1c it is necessary to provide evidence of inability to let the space for at least two years. That seems missing from application as are other necessary documents such as external elevation and photos of the context. In the circumstances it is impossible to approve this application.
