2018/0844/P	Jeremy Eveleigh	59 Rochester Place NW1 9JU	29/03/2018 10:04:24	COMMEM PER	Whilst improvements to the existing poor quality shopfronts are welcomed, in the context of the Conservation Area status, the period nature of the buildings and consistency with adjoining properties, it is important that any consent for a replacement shop front is conditioned in favour of timber framework construction and that no external roller shutters are installed.
