2018/1328/T	Annabel Cormack	68 Dartmouth Park Road NW5 1SN	17/03/2018 11:12:32	COMMNT	Inadequate reasons for requests. Silver birch. Could be pruned or left as is. Lime: ivy can be removed using chemical on stem if necessary. Lime should respond well to tresting as a pollarded tree assuming it is not dead.
