2018/1493/T	Consuelo Phelan, hon. Tree Officer, Belsize Residents' Association	54 Belsize Park London. NW3 4EE	10/04/2018 06:53:09	OBJEMAI L	No indication is given on the application of any other trees on this site. It seems a great pity to remove three trees purely on the grounds of size, when I would have thought a programme of careful pruning would overcome the size problem and increase the amount of light to this and neighbouring properties. On behalf of the Belsize Residents' Association, I would therefore like to lodge an objection to this application.
