2018/0842/P	Ms EDEL BROSANAN	63 Lymington Avenue N22 6JE N22 6JE	26/03/2018 07:46:24	SUPPEMAIL	I fully support the application to install solar panels on this well-loved City Farm. It aligns well with the farm's values, supporting sustainability and reducing its carbon footprint. It will also help an organisation run on a tight budget to meet its fuel costs in an efficient and effective manner. Finally, it will allow the City Farm to educate children (and adults) in the potential for alternative energies.
