Observations	ADVICE from Primrose Hill Conservation Area Advisory Committee 12A Manley Street, London NW1 8LT 21 March 2018 7 Auden Place NW1 8NB2018/1083/P We have every sympathy with the need of the resident for special access, and have no objection to the application. We request that the consent be made personal to the applicant, so that, when the access is no longer required, the brick garden wall can be reinstated. The low garden walls are a feature of the design of this enclave, which is a much-valued area of green in the conservation area. Richard Simpson FSA Chair
