2018/1385/T	Andrew Neale	13 Downshire Hill Hampstead London NW3 1NR	11/04/2018 14:01:49	OBJ	Vital tree contributing to the character of Downshire Hill and Hampstead. Unless the tree is irretrievably diseased/ dangerous it should be preserved. Last spring it had its usual magnificent flowering , a great source of wonder and joy to everyone who sees it.
