Re: Rebuilding of 20-23 Greville Street, EC1N and associated development of Bleeding Heart Yard. Application 2018/0910/P

Dear Ms Hazelton,
I have owned a business in Bleeding Heart Yard for 35 years. I currently employ 88 people in the Yard who are likely to be severely impacted by the planning application above.

I am currently seeking specialist advice but consider the proposals to be wholly inappropriate and that a full objection will be submitted in due course.

Yours sincerely,

Robert Wilson
Proprietor
Bleeding Heart Restaurants.
