

Examples of the proposed bird bath in the garden to enhance biodiversity in the garden

Examples of an open space of conservatory with glass door and metal frames, create a comfortable design with large opening to the garden and improve the quality of the garden.
Please note those pictures are for context only to show how the space is opened to the garden on one side and create the transparency between the garden and the internal space.

- NOTES:
1. This drawing is to be read in conjunction with all relevant contract documentation from the design team, with any conflicting information to be brought to the attention of NewLake Architecture & Planning Services in writing before commencing on site.
 2. The contractor is to check and verify all levels and dimensions before construction. Any discrepancies are to be brought to the attention of NewLake Architecture & Planning Services in writing before commencing on site.
 3. All dimensions in mm, unless otherwise stated.
 4. Do not scale from this drawing.
 5. All sub base and concrete design and specification to engineer's details. All diagrams provided here are purely indicative.
 6. Waterproofing of any element to be specified by others.
 7. All proprietary products shall be installed in accordance with manufacturers written instructions.
 8. Plant numbers are an indication only and plants should be ordered to suit site areas in accordance with scheduled plant densities.
