Ben

Thanks, that's worked.

Yes, I can confirm that without the link to the rear out-building, the CAAC does not have an objection to this proposal.

Thanks for your help.

Hi Steve,

I'm not too sure why the PIN isn't working – the uploaded amendments can be seen at the following link:

Kind regards,

Ben

Hi Ben

I've tried the PIN but this seems to lead nowhere at present. Is the file yet to be up-dated?

Good morning

Amendments have been received on the above application, removing all external alterations to the property (including the rear extension and use of outbuilding as an additional bedroom). Your previous comments (attached) made no objection to the principle of subdivision, but rather the additions proposed. Please could you let me know whether you wish to remove your objection on this basis.

Kind regards,
Ben
