

The contractor is responsible for checking dimensions, balances and references. Any discrepancy to be verified with the Architect before proceeding with the works.

Where an item is covered by drawings to different scales the larger scale drawing is to be verified by.

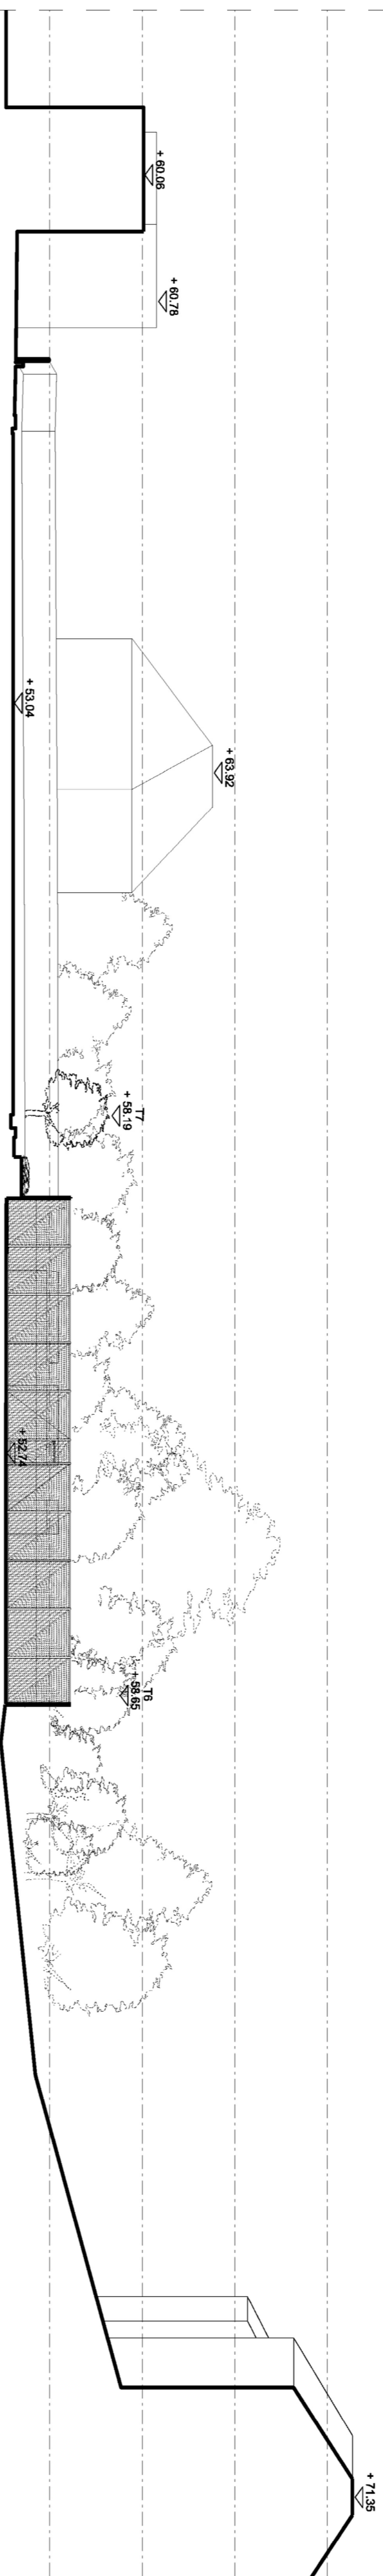

- Do not scale drawing. Figure dimensions to be worked in all cases.

CDM Regulations 2007

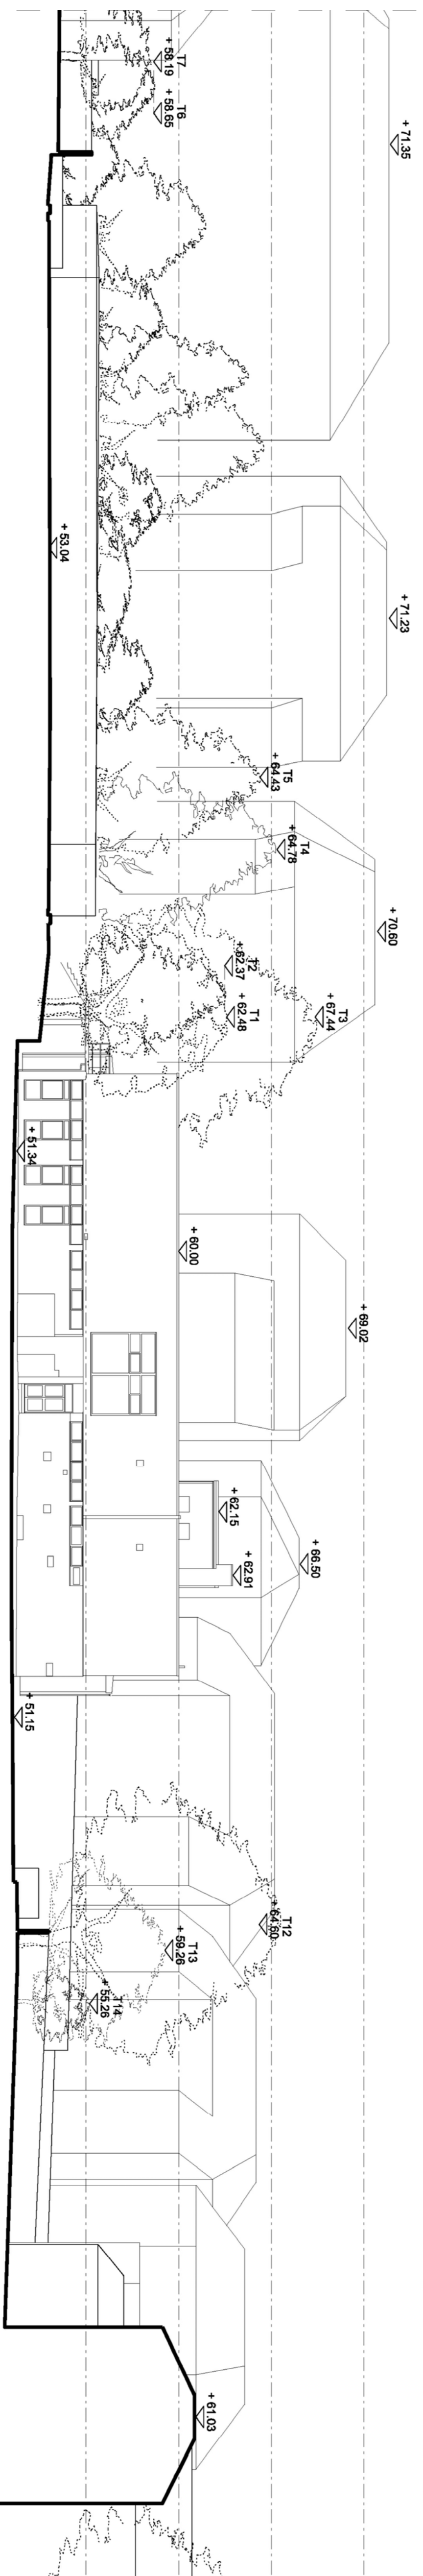

All current drawings and specifications for the project must be read in conjunction with the Designer's Hazard and Environmental Assessment Report.

Note: All survey data provided by Survey Solutions
