**Attachments:** 1 Lyndhurst Road site map plan.pdf

Hello,

We are notifying you that we intend to carry out work to a dangerous Magnolia tree at the following address:

**1 Lyndhurst Road, NW3 5PX.**

The intended work is:

Front Garden

T1 Magnolia x 1                      (*Magnolia spp*)

**DYING SPECIMEN:** This tree has been in decline for a few seasons, there is less than 10% of the crown still alive. Some of the dead branches extend over the footpath therefore it poses a danger to the public. **Suggested Works:**  
Fell in section to ground level.

Please let me know if you require any further information and if we are able to go ahead.

Kind Regards,

**Zahra Baker**  
**Office Administrator**  
**Treecare Arboricultural Specialists**
