2018/0645/P	Mr. David Gowers	FLAT 9 KINGSLAND BROXWOOD WAY NW8 7QJ	25/04/2018 09:13:42	OBJEMAI L	<p>The notification signs all have the correct date on; however, there are only four signs erected . Two in St. Edmund's Terrace and two in Broxwood Way.</p> <p>There are none in the part of St. Edmund's Terrace west of Broxwood Way.</p> <p>In this part you have all the properties of Cecil Grove, a primary school and a number of other properties.</p> <p>It is clear that because the Council does not send out letters anymore, it is imperative that all these premises are made aware of the proposed development, as it will affect them.</p> <p>More signs need to be erected in this part of St. Edmund's Terrace or the process is flawed.</p>
