2018/1183/P	Anna Szelest	88a Savernake Rd	23/04/2018 11:25:29	COMMNT	<p>I'd like to oppose the replacement of the windows above my flat. As it's clearly shown from the photos the proposed balcony would be just a foot and directly above my patio. The enjoyment of my garden will be further compromised by a third outside space above (of the same ownership) intruding on my privacy and peace. There is also an existing balcony to the left.</p> <p>I am truly alarmed by the photos taken of my private space without my knowledge or permission and displayed on the public website.</p>
