2018/1342/P	Debbie Radcliffe for Bloomsbury CAAC	c/o Hugh Cullum Architects 61B Judd Street London WC1H 9QT	19/04/2018 10:59:35	OBJ	The Bloomsbury Conservation Area Advisory Committee object to the application to alter the front elevation at ground floor level of 12 Charlotte Mews. As the address implies, this is a property within an historic mews. A mews is defined as a row or street of houses or flats that have been converted from stables or built to look like former stables. The proposed façade design is out of character for its setting, and much more suitable for the façade of a building along a main thoroughfare, not a mews that lies within a Conservation Area.
