2018/1677/P	Mr Craig Duncan	74 Durdans House Royal College Street NW1 9RD	25/04/2018 10:23:02	OBJEMAI L	There is no need for a "private members club" of this scale in Camden lording itself over the have nots! The spiralling inequality in the borough is already out of control! As a Labour Council, Camden are duty bound to denying this kind of monstrosity planning permission!
