Ecclesiastical Restoration & new mosaic works

The Mosaic Restoration Company is a family run business headed up by leading expert Gary Bricknell with over 25 years experience working with mosaics. Based out of a purpose built workshop in Northamptonshire in the Midlands, they carry out mosaic restoration and new mosaic works throughout the UK and Europe.

The company is unique with a fresh and friendly approach to running its business. All staff are directly employed and trained to a high standard and have pride in the work they carry out. Be it a small private job, or a large public commission each project receives the same great attention to detail.

THE MOSAIC

RESTORATION COMPANY

"I can confirm that the work carried out for us on numerous occasions by The Mosaic Restoration Company has been executed to an exceptionally high standard and on time and to budget. They are our preferred mosaic restorative contractor and I would not hesitate to recommend them."
