FAO Ben Farrant

Thank you for allowing me to comment on planning application 2018/1134/P the temporary erection of the LED screen to be placed inside Central St Giles Piazza between June 2018 and August 2018.

I have reviewed the design access statement and have found the maintenance strategy and I am happy that the procedures in place whilst the event is in use are sufficient. Also, when not in use the actual LED screen itself is protected, monitored by CCTV and also security patrol the location.

I have liaised with the local NPT officers for Holborn & Covent Garden and they have stated that on previous years the installation was present in the Piazza there was no increase in crime or anti-social behaviour.

Therefore I have no objections to this planning application.

Kind regards

Jim
