Name

Glanville

My enquiry is

I have concerns regargarding planning application no 2018/0499/P. Address 3 Lyndhurst Gardens

On reading the proposed application I have concerns that this structure will intrude into my privacy of light and noise as it appears to be a glass cube

The area is peaceful and quiet and my concern is that if this is erected as planned this will change

Yours sincerely Keith Glanville

<i>My enquiry is</i>	<p>re: application 2018/0499/P , 3 Lyndhurst Gardens.</p> <p>We live directly behind the property seeking consent. We are concerned on privacy grounds that there is no barrier between our rear gardens and that we will be looking straight into a glass box, and that the occupants will be looking at us. Also, we have noise concerns, if this area to the rear of 3 Lyndhurst is about to be used a lot more. The neighbourhood is very quiet , this is why we bought our property. We sleep in the rear bedroom because it is nice and quiet, and are concerned that there will be noise particularly in summer time. Also, we are concerned about light emanating from the box, as we currently do not have light issues in the rear of the house.</p> <p>Perhaps a solution might be if the applicants erect a barrier between our properties, on their side, either natural landscaping (i.e. big trees) or a robust fence(in keeping with the architecture in the neighbourhood). This might shield us, the people immediately behind, from light and noise, and might offer us the privacy we are used to.</p>
