Dear Sir/Madam

DECISION

Planning (Listed Building and Conservation Areas) Act 1990

Listed Building Consent Granted

Address:
Flat C
2 Conway Street
LONDON
W1T 6BA

Proposal:
Internal partition alterations
Drawing Nos: Location plan, site plan, existing plan, proposal state v2

The Council has considered your application and decided to grant Listed Building Consent subject to the following condition(s):

Conditions And Reasons:

- 1 The works hereby permitted shall be begun not later than the end of three years from the date of this consent.

Reason: In order to comply with the provisions of Section 18 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans:

Location plan, site plan, existing plan, proposal state v2

Reason: In order to safeguard the special architectural and historic interest of the building in accordance with the requirements of policy D2 of the Camden Local Plan 2017.

- 3 All new work and work of making good shall be carried out to match the existing adjacent work as closely as possible in materials and detailed execution.

Reason: In order to safeguard the special architectural and historic interest of the building in accordance with the requirements of policy D2 of the Camden Local Plan 2017.

Informative(s):

- 1 The site is a top-floor flat in a grade-II-listed townhouse of 1800 forming a positive contribution to the Fitzroy Square Conservation Area.

The applicant wishes to demolish a wall dividing his closet wing into a bathroom and a utility room and to install a fireplace around a hole in the chimney breast. He also wishes to renew his laminate flooring and fitted kitchen, and his bathroom suite.

The wall appears to be non-historic and the rooms are devoid of period details. A proposal to remove the shutters and shutter boxes has been removed from the proposal. The laminate flooring will be renewed without harming the underlying floorboards, while the new kitchen and bathroom will use existing services and so will not cause harm to underfloor structures.

The proposed works will not harm the special interest of the grade-II-listed building.

The site's planning history has been taken into account in making this decision.

Special attention has been paid to the desirability of preserving the special interest of the listed building, under s.16 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013

As such, the proposal is in general accordance with policy D2 of the Camden Local Plan 2017. The proposed development also accords with the London Plan 2016 and the NPPF.

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. - 3 You are advised that any works of alterations or upgrading not included on the

approved drawings which are required to satisfy Building Regulations or Fire Certification may require a further application for listed building consent.

- 4 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays.
