To whom it my concern, Iâ€™m am absolutely outraged that planning permission has been given to have a motorbike place for young offenders to come to right outside my window in churchway without even consulting any of the residents. I live at number 1 churchway and the project will be run from 1A churchway under the garages from 10am till 10pm, this is outrageous. Not only do we have a dry problem here but we are now bringing in more problems by bring young offenders to the area and right outside my window. My wifeâ€™s works night shifts as a nurse and how will she be able to sleep when she gets home if there is all the noise from the garages going on?? Has anybody considered how the residents feel about this? No. Has anybody been in contact with any of the residents? No. How do you feel you can justify this without even asking anyone from the area, myself and the whole of the churway block are not happy by this action at all and we will not be standing for it, this place algae become a joke of people just adding to more problems and having no sololutions at all.
