

The revised plans for Highwood Lodge, 31G Hampstead Lane have come to my attention.

Whatever the outcome, I must stress that NO part of the adjoining property, of which I am the freeholder, may be used for scaffolding.

I live in the top flat, Flat D, at 31 Hampstead Lane, but the other flats on the premises belong to the leaseholders and they do not want scaffolding either.

This must be taken into account when making your decision.

Yours sincerely,

Jean Hall
