2018/1340/P	Rosanna Heather	Flat 19 Cheriton	28/04/2018 15:44:11	NOOBJE MPER	I live above this commercial space and fully support it being used as a tattoo studio. A business like this will bring some modern diversity to this ground level.
2018/1340/P	Mr Simon Heather	19 Cheriton	28/04/2018 07:32:54	NOOBJE MAIL	<p>I am a resident of the Block and I would like to say that I have no objections to the application.</p> <p>Mr Whybrow has correctly identified that the shops have little footfall so a tattoo parlour (that doesn't rely solely on footfall for business) would be a sensible choice of business.</p> <p>I personally welcome new business ideas for the shops below my flat as a means of reinvigorating the area.</p>
