2018/1397/P	Mr Kentish Town Neighbourhood Forum	24 Patshull Road NW5 2JY NW5 2JY	28/04/2018 16:44:56	INT	Kentish Town Neighbourhood Forum supports an application to occupy the iconic Bluston premises for retail use, so long as the exterior appearance of the shop is retained. KTNF does, however, have reservations on use by a charity shop on the grounds of need - there are at least 6 charity shops already on Kentish Town Road selling clothing, as the applicant wishes to do - and because of the fiscal benefits charities and their shops enjoy commercial retailers can be put at a disadvantage.
2018/1397/P	Debby Hyams	Inkerman Area Residents Association 31 Alma Street NW5 3DH	27/04/2018 14:26:10	COMMNT	The feedback we have had from members of the Inkerman Area Residents Association is supportive of this application. We are pleased that the original features of this fine building will be respected and will be delighted to see the building back in use.
