

**LEGEND**

Tree Legend: Tree symbols (various sizes and shapes) represent different tree species and sizes. Shrub symbols (smaller, bushier shapes) represent shrubs. Grass symbols (wavy lines) represent grass areas. Water symbols (blue wavy lines) represent water features. Building symbols (rectangles with internal details) represent buildings. Survey points (dots with numbers) represent survey stations.

**ICE LABZ SURVEY**

| DATE  | TIME  | LOCATION        |
