Dear Sir/Madam

Re: Planning Application - 160 Barker Drive, Camden.

I enclose a planning application for the installation of a central heating boiler flue and a kitchen extractor vent at the above address. The proposal will emulate the flue and vent already in place at second floor level on the south elevation.

Please find attached my cheque for £206 in respect of the application fee payable.

Yours faithfully

A solid black rectangular box redacting the signature of Dr T M A Smith.
