Dear Sirs

Planning Application Reference Number: PL/9300042
and Listed Building Reference Number: HB/9470158
Case File: E6/11/21

Further to our recent meetings and telephone conversations we are writing formally to request discharge of the Condition in the above planning consent relating to the design of the nursery. We are enclosing four copies of the sketch layouts which have been accepted in principle by the Education Department and Building Control, together with sketch elevations showing the external changes. External materials are as previously advised.

Working drawings are currently being prepared and we will continue to liaise with the Education Department over the detailed design before making a resubmission to Building Control.

We trust this provides you with sufficient information for you to prepare your report but please do not hesitate to contact us if there is anything further you require.

We look forward to learning the date by which a decision will be made.

Yours faithfully

David Chisholm,
John Thompson & Partners
