This amount is an estimate based on the information submitted in your planning application. The liable amount may be revised on the receipt of the CIL Additional Information Requirement Form or other changes in circumstances. Both CIL's will be collected by Camden after the scheme has started and could be subject to surcharges for failure to assume liability or submit a commencement notice PRIOR to commencement and/or for late payment. We will issue a formal liability notice once the liable party has been established. CIL payments will also be subject to indexation in line with the construction costs index.
