### 4. Trees Ownership

Is the applicant the owner of the tree(s)?

☒ Yes ☐ No

### 5. What Are You Applying For?

Are you seeking consent for works to a tree(s) subject to a TPO?

☐ Yes ☒ No

Are you wishing to carry out works to tree(s) in a conservation area?

☒ Yes ☐ No

### 6. Tree Preservation Order Details

If you know which TPO protects the tree(s) enter its title or number below

### 7. Identification Of Tree(s) And Description Of Works

Please identify the tree(s) and provide a full and clear specification of the works you want to carry out. Continue on a separate sheet if necessary. You might find it useful to contact an arborist (tree surgeon) for help with defining appropriate work. Where trees are protected by a TPO, please number them as shown in the First Schedule to the TPO where this is available. Use the same numbers on your sketch plan (see guidance notes).

Please provide the following information below : tree species (and the number used on the sketch plan) and description of works. Where trees are protected by a TPO you must also provide reasons for the work and, where trees are being felled, please give your proposals for planting replacement trees (including quantity, species, position and size) or reasons for not wanting to replant.

*E.g. Oak (T3) - fell because of excessive shading and low amenity value. Replant with 1 standard ash in the same place.*

Mulberry (T1) - fell because the tree is in a severe state of decline. It is currently propped up with a scaffolding pole and would fall down if the pole was removed. The tree has large cavities and major deadwood. There would be no loss of amenity if the tree was removed. Replant with one standard fruit tree.

### 8. Trees - Additional Information

For all trees

## 8. Trees - Additional Information

A sketch plan clearly showing the position of trees listed in Question 7 must be provided when applying for works to trees covered by a TPO. A sketch plan is also advised when notifying the LPA of works to trees in a conservation area (see guidance notes). It would also be helpful if you provided details of any advice given on site by an LPA officer.

Please indicate whether the reasons for carrying out the proposed works include any of the following. If so, your application must be accompanied by the necessary evidence to support your proposals. (See guidance notes for further details)
