Design and Access statement

The proposed garden design features 2 new structures

1. **New garden shed** to replace old one - see dimensions on information panel on garden presentation plan.
2. **Garden pod** – see photographs and detail of dimensions and position on garden presentation plan. The pod will sit in the middle right hand side of the garden It will sit on a concrete surface 1.50 x 1.50 covered in gravel. It will provide a sheltered space for the client to sit and enjoy her garden.

Both structures will be constructed on site.
