2018/1616/P	James Marshall	11/05/2018 15:19:10	OBJ	<p>The planning permission to which this applies expired on 20/4/18.</p> <p>No material building work was commenced before this date.</p> <p>Planning permission on these sites has therefore lapsed making this CMP and tree protection measures irrelevant.</p> <p>Between the beginning of April 2018 and 3/5/2018 hoarding was erected around the sites, but no material building work was undertaken.</p> <p>During erection of the hoarding the submitted CMP and tree protection measures were breached repeatedly.</p> <p>The copper beech tree in question had its roots repeatedly damaged (I have photographic and video evidence of this), neighbouring properties were damaged and almost no part of the CMP was followed.</p>
