2018/1868/T	Eileen Keltie	10/05/2018 20:42:08	COMMNT	The removal of this beautiful tree will affect the area of Elsworthy Terrace both physically and visually. It is a beautiful division between the gable ends of houses in Elsworthy Road and the gardens of Elsworthy Terrace and thus is enjoyed by all around and would be missed. Its removal would also be detrimental to the diverse population of birds and wildlife that are found in the area. It takes decades to grow such a magnificent tree and once it is removed it can never be replaced
