BY PLANNING PORTAL

18th May 2018

Dear Sir,

PROPOSED BASE STATION INSTALLATION OF 2 NO. MICROWAVE DISHES ON THE ROOF OF SNOWMAN HOUSE, ABBEY ROAD, HAMPSTEAD, LONDON, NW6 4DN

This is a full planning application, for permission for the development of:

The installation of 1 x 0.6m and 1 x 0.9m microwave dishes and 1 x small cabinet and ancillary development on the rooftop of Snowman House, Abbey Road, Hampstead, NW6 4DN. NGR 525843,183950

The application comprises:

- Planning Application form and certificates (submitted through the Planning Portal)
- Planning drawings - Ref. No's: 100,101,102,103,104 - 02
- Prescribed fee - £462.00
- Site Specific Supplementary Information
- Design and Access Statement

Savills Telecom are a London based company that deploys high performance systems in the world of electronic finance. They are currently in the process of designing and implementing a wireless network as such they need several links and sites in order to establish a connection. The dishes at this site will allow them to use this location as an intermediate hop for the overall end to end connection.

The enclosed application is identified as the most suitable site option and design that balances operational need with local planning policies and national planning policy guidance.

Furthermore we would like to assist the council and would like to arrange a presentation or meeting with your officers and members to discuss the issues if appropriate.

We are committed to maintaining a positive relationship with all Local Planning Authorities and we would be happy to provide any additional information in relation to this application.

We look forward to receiving your acknowledgement and decision in due course.

Yours faithfully

Louise Hvaal

Acquisition Consultant

(for and on behalf of Savills Telecom)
