Dear Camden,

We will be attending the rear garden of the garden flat of 59 Caversham Road, NW5 2DR on Wednesday to make safe and fell the remaining stem on a large collapsed poplar. Tree has collapsed, please see attached photos. the remaining stem is very unstable, overhangs several gardens, is creaking, and has a high to cause further damage to properties and is a danger to residents.

Kindest regards,

Jade Harrison | Office Manager
