

Route Overview

- Most larger vehicles will be departing from TG Ram Ltd. They will then travel round the North Circular Road (A406), before heading east on the A1 to Archway. From here they will head south along Junction Road until they reach Kentish Town Road. Return journeys will follow the same route.

- All other vehicles will follow a similar route, approaching along the North Circular Road from either direction.

Local Route

Inbound - All construction vehicles to approach from the north along Kentish Town Road, then turn left into Islip Road and right into Wolsey Mews.

Outbound - All construction vehicles to depart south along Wolsey Mews, then turn right onto Caversham Road and right onto Kentish Town Road, heading north.
