Dear Suzie,

Thanks for asking us to quote for monitoring pest control at 6 Sumatra Road, NW6 1PU.

We can offer a monthly visit monitoring programme during the building work at the above premises. We will install a number of bait boxes in accordance with the size of the site and after that we will carry out monthly visits to monitor and treat against rats and mice. On each visit we will provide an report with our findings and recommendations.

I can confirm that we already carry out 3 visits at the above premises and no pest was evidence was found.

The price for the 6 monthly visits followed by a month warranty is 540.00 plus VAT.

Please find attached Job Work Agreement form as requested over the phone.

I hope this is sufficient for you but if you require any more information please do not hesitate to contact me.

Thank you very much.

Kind regards,

**Marius Amariei**
