Application number: 2018/1875/P - 89 Hillway

Dear Mr. Hope,

I wish to object to the above renewed planning application, which *inter alia* seeks to build over the existing garage.

I believe that this has been turned down once before. A renewed application under a different name, with a different wording and slightly altered features does not change the fact that it would be undesirable as it exacerbates the terracing effect on Hillway. This kind of build-over has not been allowed on Hillway for decades.
