

Project

1 East Heath Road, NW3 1AB

Application Ref: 2016/5963/L

25th May 2018

SD-01 Supporting Document

Conditions

A. Facing materials, bricks and slates

Facing materials to be used will be Reclaimed Bricks and Welsh Slate. Images below. Reclaimed bricks to match existing bricks and to be supplied by Architectural Salvage source, <http://www.archsource.co.uk>.

Welsh slate to be used see below.

B. Details of Stable doors

Please find attached Joinery drawing for the stable doors on a separate file.
The architrave and bead profile matches the original doors in the house. See images attached of existing garden door for reference.

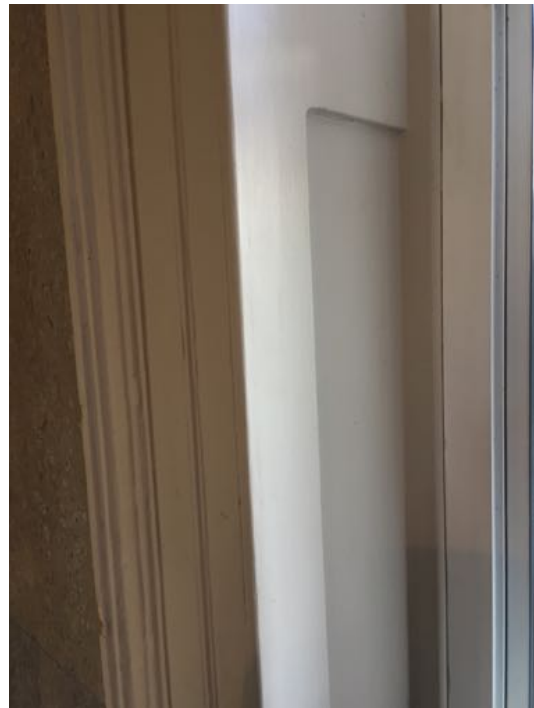

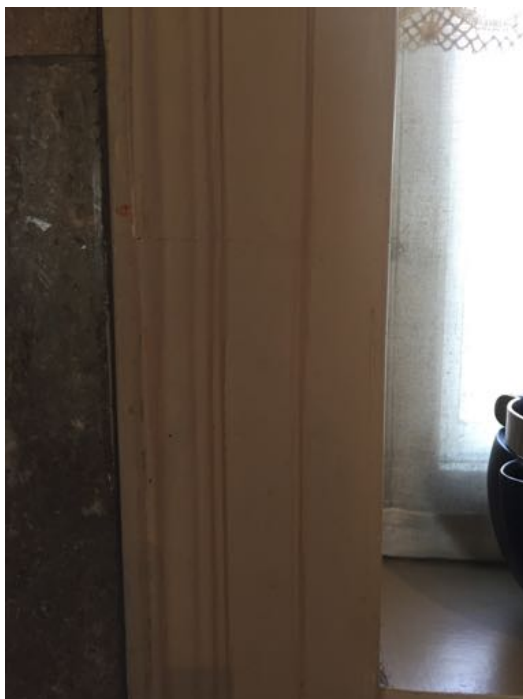

C. Details of retained Architrave where window is removed.

Please find attached joinery drawing for existing architrave retained and Elevation of opening where window is removed. (see drawing 71_01)

The existing window architrave will remain and the side panelling will be restored to cover the existing opening after window is removed. Images attached.

The existing window will be relocated as agreed on planning application and a new architrave to match the existing architrave will be installed. See drawing attached of proposed architrave.

Please contact me on the below email or mobile if further information is required.
