Hello Matthias,

Thank you for the update. My apologies if I have duplicated the applications or caused any other complications.

Thank you for transferring the Design and Access statement submitted with the Listed Building Consent application onto the original application.

I can confirm I am in agreement with withdrawing submission reference: 2018/2258/NEW. Do I need to action this withdrawal?

As I look at our applications on Planning Portal, I assume our valid application is 'Auden Place – Fence', reference: PP-06502749?

Unfortunately we do not have drawings of the old fence, however, I have been able to source some photos of the old fence from a summer fete we held last year (please excuse the close ups of musicians!). Are these photos adequate for the difference in the size as well as the design to be assessed?

Thank you for your continued support and patience. Please let me know anything further you require and I will action immediately.

Regards

Chris
