Dear Mr Sexton

**TOWN & COUNTRY PLANNING ACT 1990 (AS AMENDED)  
NATIONAL PLANNING POLICY FRAMEWORK 2012**

**44 Cleveland Street London W1T 4JT**

*Details of a Written Scheme of Investigation (WSI) for an archaeological trial trench evaluation/watching brief on site investigation pits and of the appointment of a chartered engineer, as required by conditions 6 (stage 1) and 26 respectively of planning permission ref 2017/0414/P (dated 15/01/18) for "Refurbishment of the existing Workhouse and North and South Houses, part demolition of the South House and redevelopment of the remainder of the site." (abbrev.)*

**Recommend Approval of Archaeological Written Scheme of Investigation**

Thank you for your consultation dated 18 April 2018.

The Greater London Archaeological Advisory Service (GLAAS) provides archaeological advice to boroughs in accordance with the National Planning Policy Framework and GLAAS Charter.

Having considered the submitted document I confirm it accords with relevant standards and guidance and that it is in compliance with the condition.

Once the WSI has been approved, the start date should be communicated by the archaeological practice to this office. I will conduct monitoring visits on behalf of your office.

The archaeological condition will not be fully satisfied until all works are complete, including any post-excavation assessment/analysis leading to publication.

Please do not hesitate to contact me should you require further information. This response relates solely to archaeological issues.

Please note that this response relates solely to archaeological considerations. If necessary, Historic England's Development Management or Historic Places teams should be consulted separately regarding statutory matters.

Yours sincerely

Laura O'Gorman
